Karat® offers a wide variety of top-grade plastic drinking straws to match different cup size. Our plastic straws are available in four sizes: stir straws measure 3 mm in diameter; jumbo straws measure up to 6 mm in diameter; giant straws measure between 6 mm and 9 mm in diameter; and boba straws measure 9 mm and more in diameter. Our stir straws are great for cocktails and coffee while our jumbo straws are perfect for fountain drinks, juices, teas and iced coffee. Giant straws are ideal for smoothies, milkshakes, slushies. Boba straws are widely used with drinks that contain add-ons such as boba, pudding, jelly, or fruit bits.
